The Club offers a wide range of opportunities for its members to improve their turning techniques and enjoy the company of other turners. There are demonstrations at our Club meetings. Renowned guest turners do 6 hour workshops several times during the year at a nominal expense to club members. A free video and text library is available for their use. Members are invited to participate in our monthly wood raffle. All members are encouraged to bring samples of recent work to our 'SHOW & TELL' and become active participants. The Club participates in the American Association of Woodturners and encourages its members to join our parent organization. Many members attend their yearly symposium.

Visit our Club's website and meet our members at www.liwoodturners.org. Our site is maintained by **Marty Mandelbaum** who you can e-mail at martymande@gmail.com.

CLUB MEETING NOTES

The July club meeting was held at **Bob Urso's** house in Smithtown. Many members were accompanied by their spouses. We were treated to several delicious desserts and salads prepared by our member's spouses.

Mini-lathes were available for all those attending to try their hand at pen turning.

Many thanks to the Urso's for their hospitality by sharing their home for this meeting.

Rockville Centre Library Show

The Rockville Centre Library will be displaying LIWA members' work from September 2-30, 2008.

Please bring any pieces that you wish to exhibit to the August club meeting at Steve Fulgoni's house on August 16, 2008.

Jim Diamond is coordinating this show and will be at the August meeting. See Jim with your loaned piece(s) for the Show.

GIANT TOOL SALE-

Power tools-
 Clamps, turning tools etc. all in excellent condition

Please contact Bob Brady if you are interested in looking at the tools that are for sale.

Shari will be back in town August 14 to 17 inclusive, to sell off her father's complete woodworking shop. She will also be attempting to sell the house at the same time. Thus we will have to work around the real estate sales people.

It would, therefore, be best if you would call me in advance, so that we can set up a schedule of appointments, trying to avoid having too many prospective buyers arriving at the same time.

Thanks, Bob Brady
