The Club offers a wide range of opportunities for its members to improve their turning techniques and enjoy the company of other turners. There are demonstrations at our Club meetings. Renowned guest turners do 6 hour workshops several times during the year at a nominal expense to club members. A free video and text library is available for their use. Members are invited to participate in our monthly wood raffle. All members are encouraged to bring samples of recent work to our 'SHOW & TELL' and become active participants. The Club participates in the American Association of Woodturners and encourages its members to join our parent organization. Many members attend their yearly symposium.

Visit our Club's website and meet our members at www.liwoodturners.org. Our site is maintained by **Marty Mandelbaum** who you can e-mail at martymande@gmail.com.

CLUB MEETING NOTES

About 40 people attended the July barbeque hosted by **Bob and Pam Urso** in Smithtown. Bob and Pam were very gracious hosts. The LIWA greatly appreciated their hard work and welcoming our members and guests into their home.

Several mini-lathes were used to turn bottle stoppers. Good food and better company were enjoyed by all those that attended.

Thanks again to Pam and Bob.

Good News

We are all happy to see **Joel Rakower**, recovering from some serious surgery and he, as always, was delighted to order the food for our barbeque at the Ursos.

Get Well Soon, Carl

We also wish a speedy recovery to **Carl Saenger** who is back at home after a stay in the hospital.
