Opening Comments

- Barry Saltsberg elected to Executive board of the LIWA
Thank you Barry for your continued involvement. We need more "Barries"
- May 14th is a tentative date for our Association's Dinner. No location has been selected. Suggestions are welcome
- BOCES has asked us to have a "TEACHING DAY" at their carpentry facility. The date they requested is April 10th. Due to a lack of volunteers for the day, we will respectfully decline the offer

- John Kawalchuk will be our March demonstrator. His topic for the meeting is “Beading”. From the little we have seen of his introductory work, it will be quite interesting and informative. “Old Timers” always come through. Attend and enjoy
- Another reminder – “Totally Turning – March 30 – 31.

TREASURER’S REPORT

Joe DeMaio reported a balance of \$5,342.08

SPECIAL THANK YOU

On Tuesday, February 5th, Jim Cleary held a meeting at his shop. The meeting was held at Jim’s shop instead of John Kowalchuk’s due to the extreme cold weather.

A good time was had by all and the above photo shows the finished “Snowman”

DEMONSTRATION

SYSTEMS BY MICHAEL.COM

One of our newest members, Michael Idarecis, treated us to a unique presentation. It was evident that Michael has a background in engineering and metal work.

His topic "Small Items" focused on intricate and exacting methods using drills and boring tools from making "jigs" to boring holes in small tubes, he did it, and made the process look easy.

Michael has provided the links listed below that will provide, in detail, the highlights of his presentation as well as project ideas.

Michael will be up loading additional information on these sites as of March 8th. Should you have any questions, he welcomes calls at (917) 882 – 9973
