Quick Cure Resin using Ultraviolet Light

Presented By: Scott Grove

LIWA is a chapter of the American Association of Woodturners. Our purpose is to foster a wider interest and appreciation of woodturning on Long Island and in the Metropolitan area.

Ray Bohn ([amb1227@aol.com](mailto:amb1227@aol.com))

Webmasters:  
David Pickman  
Bob Lee

To all members: If not you, who? Please consider joining a committee and helping your fellow woodturners and yourself.

## El Presidente - A Message from our President

As our 2025 season kicks off our new program coordinator Mitch Friedman is working to get back to having more professional turners on site and to have these professional turners support workshops in the days before or after the club demonstration. Prior to Covid the group had this and members who participated felt it was worthwhile. Email Mitch Friedman (mgfassoc@gmail.com) for details and availability of the workshops if you are interested. If working, ask for a weekend spot. See the link below for details on material needed for the day. Details about the presenters are on our website:

<https://liwoodturners.org/members-only/workshops/>

To offset the additional cost of the professional turners being on site at our meetings there will be an additional charge to attend of about \$30 and the meeting will run longer and include lunch. More details will be sent closer to the meetings. Our January meeting will not have a show and tell. In February we will have a show and tell but limit it to one piece.

The 2025 membership application is available on our website. If you haven't paid, this can be given to Mike Josiah at our January meetings or mailed to the address on the form. The cost is unchanged from previous years at \$45

<https://liwoodturners.org/membership-application/>

The fourth Storch workshop where we work with students and parents from the Northport schools will take place on March 22nd, 2025. More details to follow but please support this effort. Our display case at Old Bethpage Village Restoration needs volunteers to present some of their work. We need volunteer(s) for April as the park closes for the winter. Let Mitch Friedman or me know if you would like to take advantage of this wonderful opportunity to present your work to the public.

Bob

~~~

Show and Tell:

## Main Event

Featured Speaker: Scott Grove  
UV Cured Resin

To see the presentation from start to finish, use this link:

[https://www.youtube.com/watch?v=\\_4G6vgETSWY](https://www.youtube.com/watch?v=_4G6vgETSWY)

To use the discount code for 20% off any Easy Inlay-branded products for your group (no UV-cure or other resins or accessories unfortunately – those are branded by Solarez or GluBoost), check your email from Jim.
